CORRIGENDUM

Minimum three years experience in relevant field is required for the post of Company Secretary (CS) as per the advertisement published through letter No. 531 dated 15.04.2015. Due to typographical error the same has been printed as “minimum 2 years” in qualification criteria column of Company Secretary in the detailed procedure/Rule Book published in the website of MPRDC as well as MP Online. The same may be treated/read as 3 years. Other terms and conditions remains unchanged.
